Our Mission:

1 Support students

2 Support staff

3 Support families

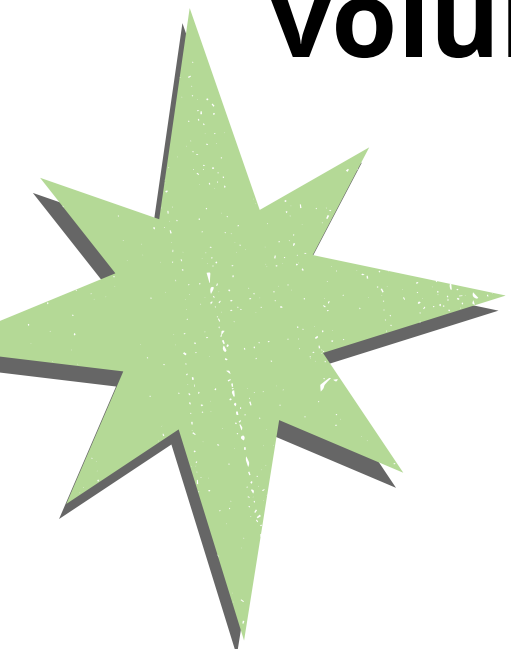

Provide and support cultural, educational, extracurricular, and recreational activities to KCH students.

We have five (5) general meetings each year. All are welcome!

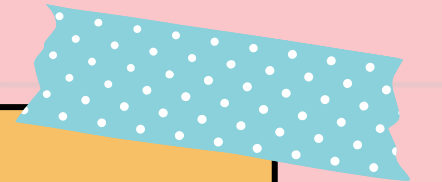

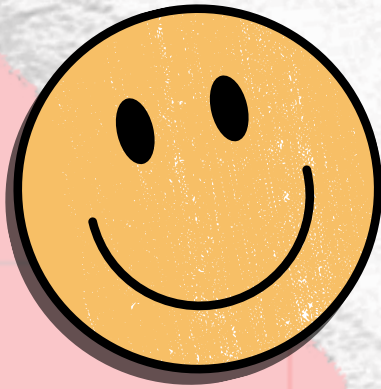

There is *no* membership fee or volunteer requirement.

***BUT:* We rely on the financial support of donors and the gift of time from volunteers!**

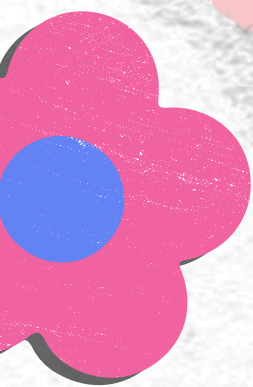

We have volunteer opportunities for every schedule - but if volunteering isn't something you're able to do, we have lots of other ways to stay involved.
