WELCOME!

Our PTO is dedicated to fostering connection, community, and support. We're here to enrich the educational experience for our students, bring families together, and uplift the amazing staff who make it all possible.

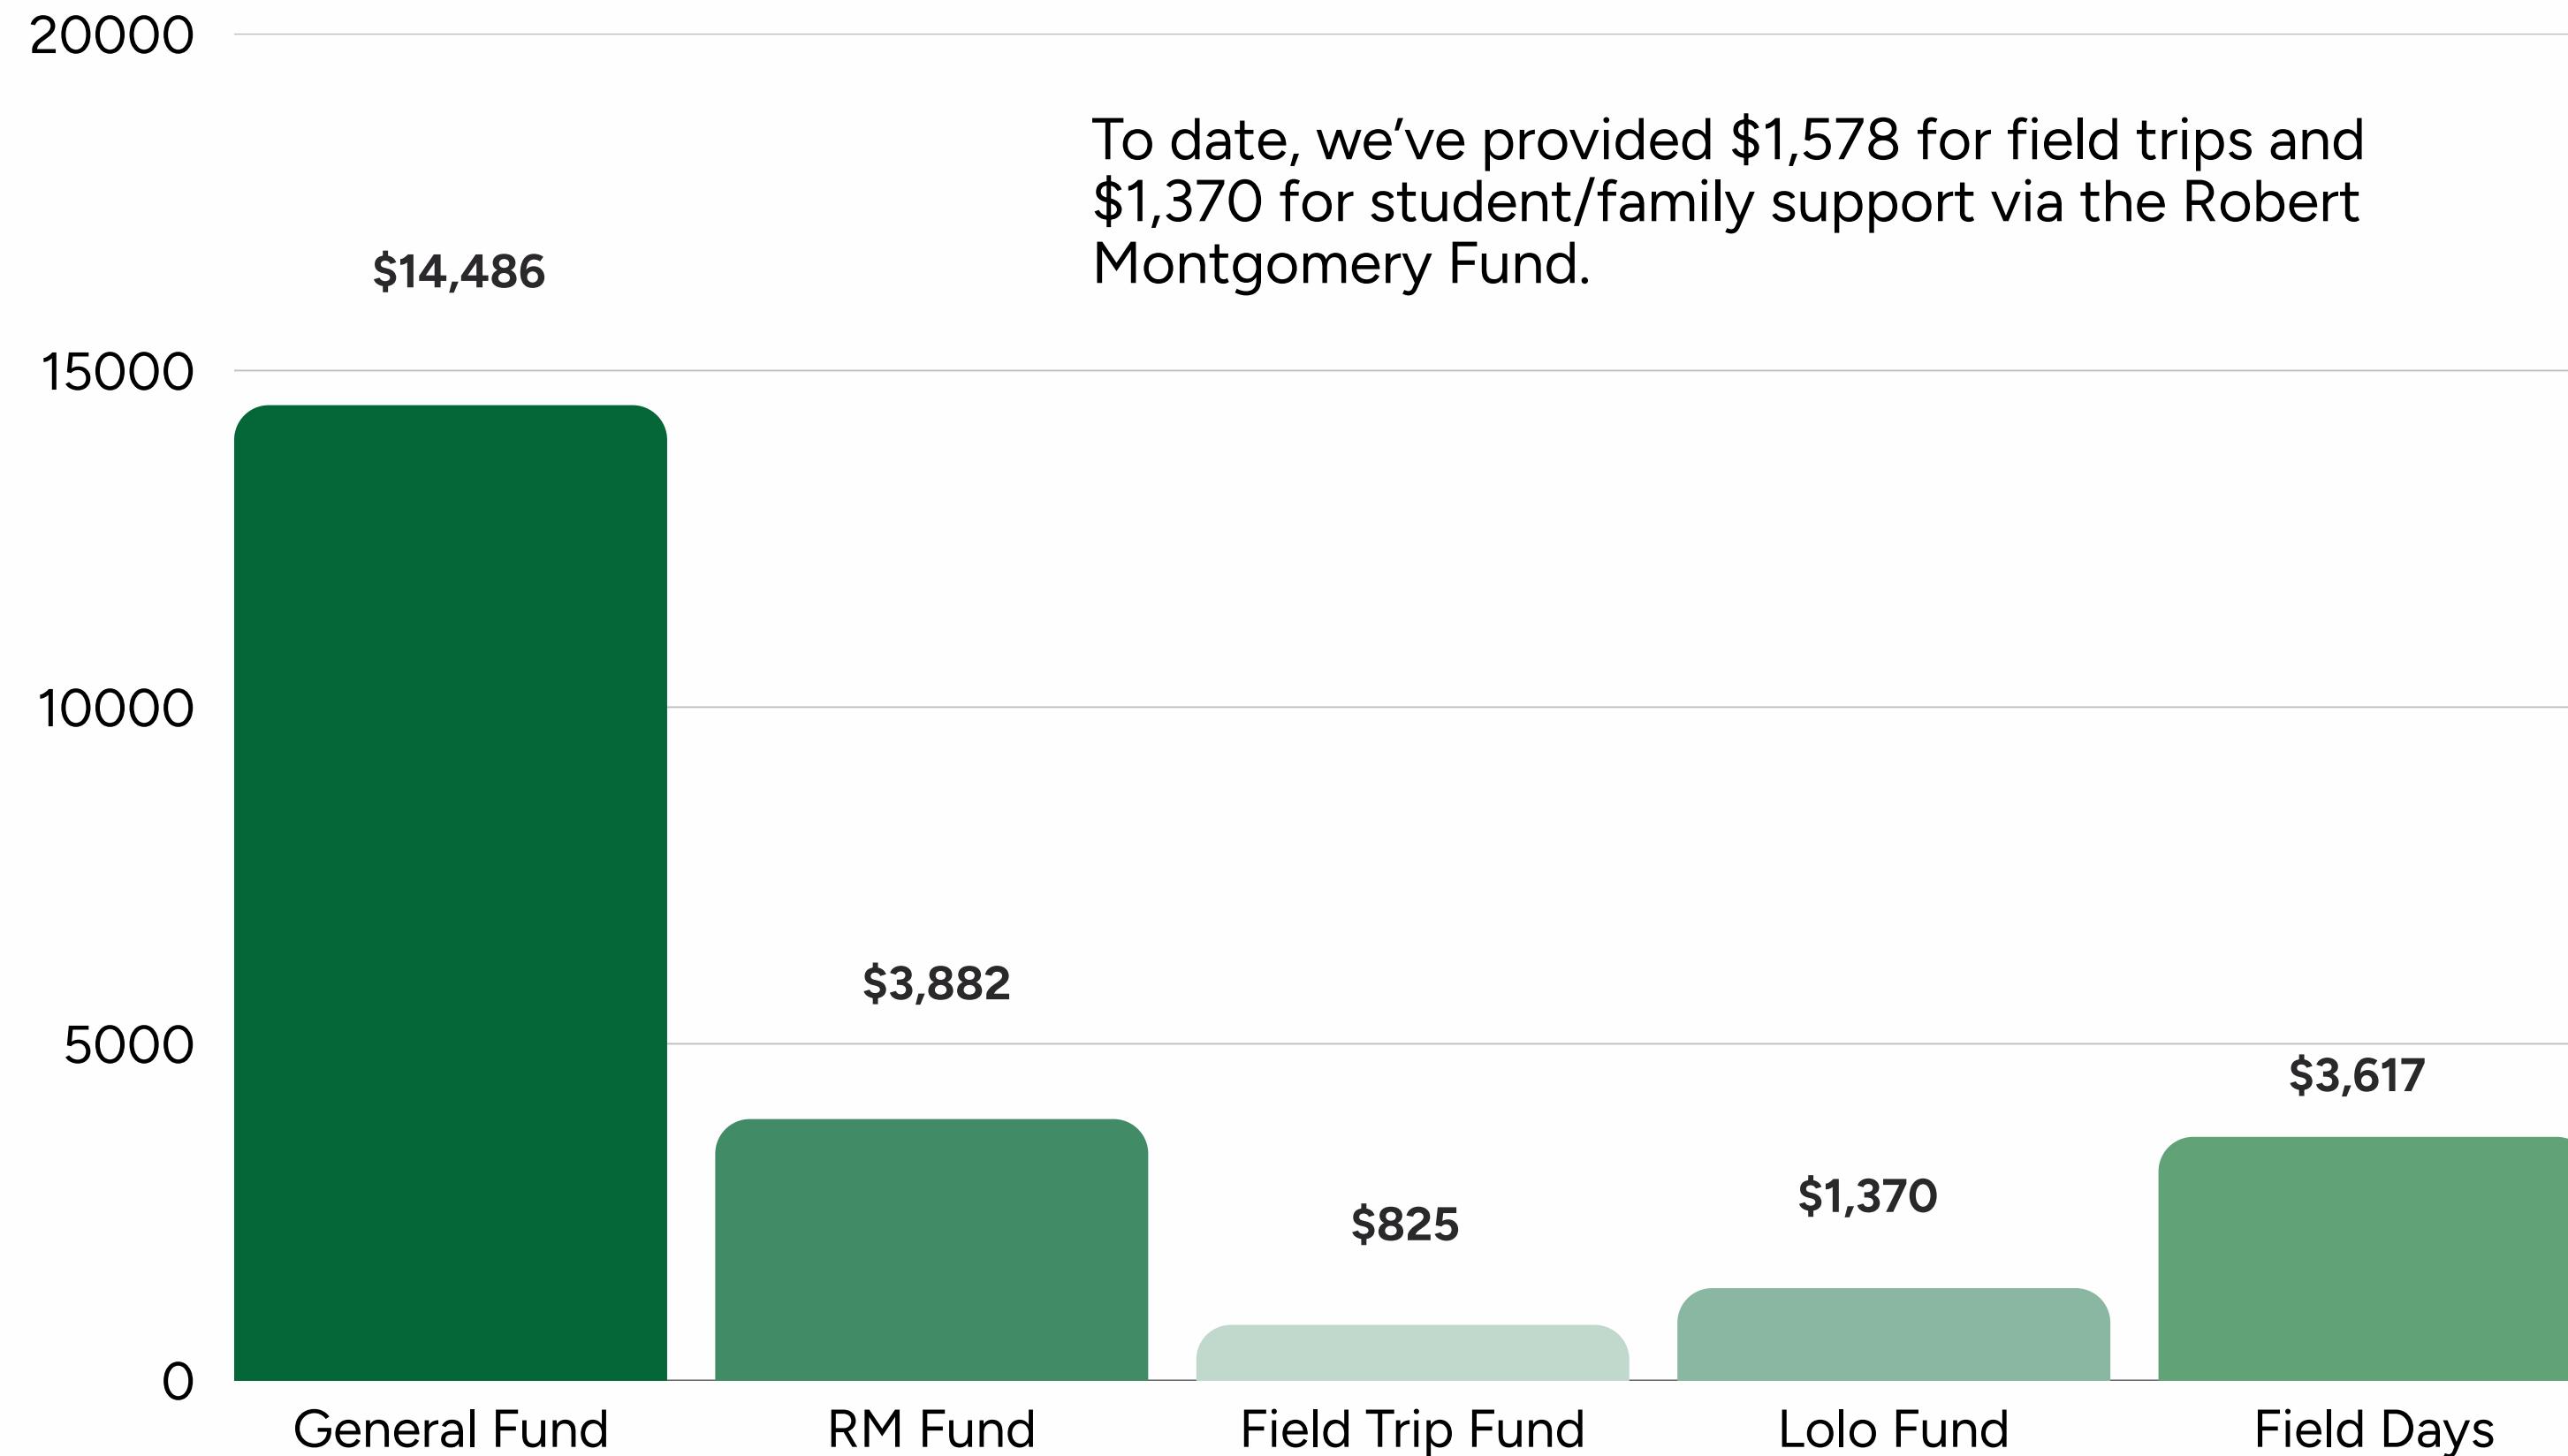

We host five public meetings each school year, and every KCH parent and caregiver is invited. Childcare is provided by Marcellus High School's National Honor Society students.

There's absolutely no pressure to volunteer, but if you do choose to get involved, you'll find we're a low-drama, flexible group of parents who simply do what we can, ***together***, to support our school.

We are a 501(c)3 nonprofit organization.

Family: Stronger Together

How the PTO Connects Our Families

- Creates opportunities for families to meet, build friendships, and feel welcomed
- Hosts inclusive events that bring students, parents, caregivers, and staff together
- Strengthens communication between families and the school community
- Builds a shared sense of pride, belonging, and school spirit

How School Families Can Support the PTO & Our Staff

- Volunteer your time — even one hour makes a difference
- Attend PTO meetings and events to stay connected and informed
- Share your talents, ideas, and feedback
- Support fundraisers that directly benefit students and staff
- Show appreciation to teachers and staff through PTO-led efforts

Question for you: How can the PTO better-support your family?

Let's stay in touch!
